

Subject: Thank You for Your Time – Network engineer Interview

Dear La Vida,

I hope you're doing well. I wanted to take a moment to sincerely thank you for our conversation on 4/3/2025 about the Network engineer role. It was great learning more about the team and the exciting work happening at La Vida.

Our discussion reinforced my enthusiasm for this opportunity, especially when we talked about the morals of the company. It's clear that La Vida fosters a dynamic and collaborative environment, and I'd love the chance to contribute my skills in managing the network.

Please don't hesitate to reach out if there's anything else I can provide. I appreciate your time and consideration and look forward to staying in touch.

Best regards,
Max Moroni
